

# Conservation Programs Workshop

The Brookings County Chapter of Pheasants Forever will be hosting a **FREE** Conservation Programs workshop for anyone interested in learning how conservation can help increase your operations' bottom line. Gain valuable information from experts in identifying options that could make your marginal cropland acres more profitable, and opportunities to help ranchers keep grasslands on the landscape.

**Brookings Days Inn**  
**March 15th**  
**Supper served @ 5:30 p.m. with**  
**talks to follow**

## Topics:

- Identifying alternative uses for unproductive acres
- How to identify your pasture's capabilities
- Maximizing pasture and grazing efficiency
- Increasing your property's wildlife potential
- Specific program options available

**Cooperators:**  
**SD Game, Fish, and Parks**  
**NRCS**  
**Brookings County Conservation District**  
**Pheasants Forever Brookings County Chapter**
